MINUTES OF ANNUAL GENERAL MEETING HELD AT THE HOLME BUILDING,  
SYDNEY UNIVERSITY ON 20TH FEBRUARY 2009 AT 7.45PM

---

**PRESENT:** As per attendance list – 30 members and 7 guests

**APOLOGIES:** Andrew and Richard Brooks, Don Matthews, Phil Northmore, Geoff and Di Hall, Matthew Fletcher, Geoff Dale, Amy and Kirsty Lembke, the Fritchley family, Justin and Alexis Cunningham, Pam, Andrew, William and Jennifer Russell, Marie-Claire and Tim Smyth, Annabel Gibson, Annabel and Fiona Copeman.

**CHAIRMAN'S REPORT:** The minutes from the 2008 AGM were tabled and considered.

Resolved that the 2008 AGM minutes be adopted and the Chairman authorized to sign the minutes as a correct record.

(1) D Smith

(2) Len Hibble

David Smith presented the Chairman's Report and highlighted:

- The Building Committee had a busy year with the installation of the new balustrades and seating and the completion of the items required by the NPWS fore safety compliance audit. The work will continue this year with the significant re-cladding and window frame replacement project estimated to be completed at a total project cost of \$115,000.
- The increase in subscription rates and accommodation tariffs proposed is designed to offset some of the costs of the building project pipeline and income foregone as a result of lower interest income on reduced cash balances due to project costs and lower interest rates generally.
- The tax exemption that UAC and other ski clubs enjoy was discussed. In 2008, one club's exemption status was challenged, which was successfully defended and a private ruling from the ATO obtained preserving the sporting club tax exemption. For UAC, which generates a significant amount of its revenue from interest income this exemption is important to preserve the cashflows available to benefit the club.
- The RTA is proposing that all vehicles, including FWD and AWD vehicles, be required to carry chains in the 2010 winter season.
- The new penalty regime for late payment of subs begins this year.
- John Russell presented additional detail on the cladding proposal.
- David thanked the board, office holders and committees for their contribution through the year, welcoming James Hall and Stuart Smith as new directors, Marie-Claire and Barry Price for their

# UNIVERSITY ALPINE CLUB LIMITED

continued service and John Russell and the building committee for their work during a busy project year.

Resolved that the chairman's report be adopted

(1) Stuart Smith

(2) Len Hibble

FINANCIAL REPORT: S Smith presented the financial report for the year ended 31 October 2008 and highlighted:

- major P&L cost items and compared with 2008 results;
- Profit generated of \$2,581;
- Net cash surplus for the year of \$25,410;
- Higher R&M and capital spending requirements associated with the safety audit requirements, CSC, rent, cladding and balustrade projects;
- It was noted that rates charged for water/sewerage service and usage fees are higher than those in Sydney; and
- The costs of re-cladding will be drawn from the term deposits and cash reserves maintained by the club. This will have a negative impact on 2009 interest income and the increase in accommodation levies and subscriptions for 2010 is designed to offset that lost income.

Resolved that the financial report be adopted

(1) Stuart Smith

## UAC CHAIRMANS REPORT – 2009

Early season snowfalls promised a bumper season, but although that didn't quite pan out, there were consistent falls from early July right through until early October to ensure a fairly good base of between 100 and 150cm throughout the season. There was plenty there for many a good day's skiing both downhillers and the cross-country skiers alike.

A read through the guest book confirms that the UAC always provides for a fun-filled, action-packed, and at the end of the day, a relaxing week. As always there were many good times to be had around the fire after a hard day's skiing, a few drinks, fine food and good company is always enough for a post-mortem of the day's events, dreams for tomorrow, and of mountains far away.

In keeping with our primary objective, it is very pleasing to see so many junior members now participating in the Interschool Snowsports Championships. This season saw one of junior members also being selected to represent NSW at the Australian Championships. Congratulations to all who competed.

The major item on the Board and Building Committee's agendas this year has been the re-cladding of the lodge. This project was well underway at the time of writing this report, and is expected to be completed in late January 2010. The start of the building work was delayed in October by, would you believe, one of the best day's snow dumps for the whole season.

During the year the Board also accepted the Building Committee's recommendation that it would be opportune and cheaper to replace the eaves whilst the scaffolding for the re-cladding was in place. So all up the total project cost comes to \$126,240.

This cost has put quite a large dent in our cash reserves, and together with lower interest rates, we are expecting much less interest income in the 2010 and following years. For this reason we have retained the surcharge on the annual subs and members accommodation tariffs.

Whilst on matters financial, I am pleased to report that the Club remains in a solid financial position, thanks mainly to increased subs income (due to the surcharge), and savings in insurance and maintenance costs.

In relation to insurance, we decided this year to transfer into the general SLOPES insurance pool that has been running successfully for a few years now. This decision has saved us over \$4,000 per year.

This year we also introduced the new late fee for subs paid after the date of the AGM. We "thank" those members who saw fit to pay their subs late and contribute an extra \$1,000 into the Club's coffers.

We are in the midst of a 12 month trial of the direct crediting option for payment of subs and booking fees. There has been a widespread take up of the option, and so far so good, everyone has remembered to include sufficient details to enable us to identify the payments. But remember, if we can't readily identify a payment we will treat it as a donation to the Club.

This time last year we reported that the RTA was proposing a much stricter chains regime. Fortunately, after much community consultation and lobbying, the RTA saw sense and has decided to retain the existing system.

## UNIVERSITY ALPINE CLUB LIMITED

The Perisher Valley off-season was quite busy in 2009, with the “Back to Perisher” activities around the Easter weekend, and the Mountains of Music Festival over the June long weekend. By all reports both events were very enjoyable and lots of fun. These events will once again be held in 2010, so have a look at the Perisher website, and we’ll try to keep you posted via the newsletter as well.

Speaking of websites, we encourage all members to visit the Club’s website [www.uac.net.au](http://www.uac.net.au), and submit suggestions, photographs and any other snippets of news that may be of interest. Also up on the site are all the booking information and other forms you may need. Thank-you to Johanna Hall and Scott Melhuish for the management of the site.

We’ve also continued to keep members up to date with comings and goings in the Club and with snowsports generally through the Club newsletter. For this we thank Jayne Cunningham, for her journalistic flare. We also encourage members to email her with any news or photos that maybe of interest for the newsletter.

On behalf of the Board and the members, I thank Marie-Claire and Barry Price for their tireless work in managing the Club’s membership records and bookings respectively.

I would like to thank all my fellow Board members for your input during the year, your efforts are much appreciated I am sure by all members of the Club.

In keeping with our Club’s objects we are always open to new ways to promote the sport of skiing and other related alpine activities. So any suggestions would be greatly appreciated.

I look forward to seeing you all at the AGM.

David Smith – Chairman  
January 2010

### BOOKING INFORMATION - 2010

#### BOOKING PROCEDURE

- Read the following booking information.
- Fill out the attached booking form
- All non-members **except a member's spouse** must complete an application for Associate membership (on the back of the booking form)
- Forward your completed booking form(s) and full accommodation fee paid by:
  - cheque made out to *University Alpine Club Ltd*; or
  - direct debit with proof of payment such as internet banking receipt (refer Direct Debit Payment Instructions below);

to:

Mr Barry Price  
36 Manor Road  
HORNSBY NSW 2077

#### GENERAL BOOKING REQUIREMENTS

Bookings are not firm until paid in full. Cheques should be provided when submitting a booking application and will be banked on receipt. Direct debits should be made prior to submitting a booking application with proof of payment attached to the application. Any refunds will be made later if the application is unsuccessful.

Bookings are to be made using the attached booking form. An incomplete booking application will generally be disregarded for the purposes of any ballot that may be required. If a range of rates could apply, please make payment for the highest likely accommodation charge. **An application will be regarded as incomplete if not accompanied by payment of the highest likely accommodation charge.**

All persons in a party (including children and infants of any age) need a confirmed booking.

Members wishing to go as a group with non-members should include the non-members on the one booking form but the booking application will not get member priority. Members wishing to book for non-members but not lose their member priority, should lodge a booking form for the non-member group plus a separate form for the member's personal booking.

No booking is confirmed until confirmed by the booking manager in writing. Acceptance of a booking form or banking of application monies, is not confirmation of the booking. The Club endeavours to deal with booking applications promptly, but at certain times of the year, particularly immediately after the close of the priority-booking period for members, there may be delays. Any decision by the Club's board of directors in relation to a booking application or confirmation is final and the board is not obliged to give reasons for any such decision.

A member should not lodge a booking application on behalf of any other person (member or non-member) without clearly having express authority to do so. Observance of this requirement

# UNIVERSITY ALPINE CLUB LIMITED

will avoid embarrassment. Each individual booking for a person on a booking form is personal to that named person (not any group), and is not transferable.

## DIRECT DEBIT PAYMENT INSTRUCTIONS

UAC is accepting direct debit payments for subscriptions and accommodation fees, initially on a one year trial.

1. Payments are to be made to the following account:  
Account Name: University Alpine Club Limited  
BSB: 082-057  
Account Number: 50909 1021
2. If paying by direct debit, the payer must transfer funds prior to submitting the booking form or subscription notice and must attach proof of payment (such as internet banking receipt), when submitting the relevant booking form or subscription notice to Barry Price
3. Payment information should disclose payer's surname and initial such that it appears in UAC's bank statements;
4. Direct Debit payments that do not conform to the payment instructions may be considered donations, in the Boards absolute discretion.

## PREFERENTIAL BOOKING PERIOD

Preferential bookings for members will close on the date of the AGM, 26 February 2010. All applications received before that date will rank equally, subject to special priorities. A ballot may be necessary for some weeks of the season. General bookings open on 27 February 2010. Weekend bookings (ie. Saturday night) can be made after 1 May 2010.

## BOOKING PRIORITIES

The general booking priorities are:-

- Full members who are not summer members (and to the appropriate extent their spouse and their children who are student or junior members).
- Summer Members.
- Non-members and Associate members.

Member priorities apply to one week's booking per year; and **only apply to financial members**. Week bookings will rank ahead of other shorter period bookings and an application including non-members or associates in addition to members carries the same priority as a non-member booking.

## SCHOOL HOLIDAY BOOKING PRIORITIES

During school holidays the following booking priorities apply:-

- Full member schoolteacher or lecturer.

# UNIVERSITY ALPINE CLUB LIMITED

- Junior member currently attending an educational institution, if and only if accompanied by a member parent or member guardian, member schoolteacher or lecturer (with spouse).
- Student member currently attending an educational institution.
- Full member (not being a summer member).

Note: Public School Holidays: Monday, 5 July to Sunday, 18 July and Monday, 27 September to Sunday, 10 October (inclusive). (Private school holidays may vary.)

## **BALLOTS AND PRIORITIES GENERALLY**

Whenever there are more applications of equal priority than there are beds available, a ballot will be held promptly and before any of the applicants are contacted, so that priorities can be established between members.

Priorities between non-members are normally determined by order of receipt of applications, or if necessary in relation to applications received before the end of the priority-booking period, by drawing lots. Unlike members, non-members do not get any priority for subsequent bookings if they do not get their choice, in any circumstances.

For the sake of the good running of the Club, the board may administer ballots and resolve any issues in relation to the allocation of bookings, as the board sees fit. The usual procedure is to hold a ballot and apply the following rules.

- (a) Where a ballot is required, the only names that go into the ballot are those of equal priority. An application form which includes members or non-members applications of lesser priority than those competing in the ballot, do not go in the ballot at all e.g. an application by a member for a booking for the member and also a non-member, will not get member priority and will not go in any ballot where there is competition for places between members.
- (b) Ballots are held promptly and usually without any prior contact with those concerned, so as to establish priorities between competing applications and avoid later embarrassment.
- (c) Only first choices count for the purposes of a ballot. The booking manager uses any indicated alternative choices, merely as a guide when trying to reallocate scarce spaces or to develop proposals for applicants who miss out on their first choice. Alternative preferences are NOT counted for ballot purposes and are not entered in any ballot.
- (d) Applicants who are unsuccessful in a members' ballot, get equal priority between themselves for all remaining places during the particular season, after all first choice priority applications are dealt with. If there is any competition between those who are unsuccessful in a ballot, then as between themselves they have their priority determined by the order in which they were drawn in the ballot itself.
- (e) If an applicant who gets a ballot preference then gives up the booking following a request from the Club, they get priority as if they were unsuccessful in the ballot.
- (f) For the next season, applicants who are unsuccessful in members' ballot get first preference for any week they nominate as their first preference. They get preference

# **UNIVERSITY ALPINE CLUB LIMITED**

only for a single booking not exceeding one week for themselves (and their partner / children who were included in their original application), at the corresponding time of the season (ie. Winter, shoulder or summer). The preference does not prevail over special preferences (eg. teacher preferences where they apply). The preference cannot be carried forward beyond the immediate next season.

## **SUMMER AND SHOULDER SEASON PERIODS**

Summer rates end midnight Friday 28 May 2010 and recommence on Saturday 2 October 2010.

Shoulder season rates apply during the periods - Saturday 29 May to Friday 2 July 2010.  
- Saturday 11 Sept to Friday 1 October 2010.

The Queen's Birthday holiday is Monday 14 June 2010.

The Bank holiday is Monday 2 August 2010.

The Labour Day holiday is Monday 4 October 2010.

## **STUDENT/JUNIOR MEMBERS, CHILDREN & INFANTS**

Student/Junior members, and other children over 5 years, accompanied by a parent or an adult, may be booked in at any time during the season. Infants (children under 5 years at the time of visit to the lodge), who are not Junior Members, may be booked at the lodge in winter only during the shoulder periods.

All children, including infants must be included in the booking application.

Members are encouraged to enroll their children as Student/Junior Members in order to qualify for the lower rates, member priorities and for full Winter bookings. Contact the Secretary if you wish to enroll your children as Student/Junior Members.

## **REFUNDS AND CANCELLATIONS**

Refunds of confirmed bookings will only be made in limited circumstances, subject to a booking service fee.

A full refund will be given if your booking application is not accepted.

Accommodation fees (less a \$10.00 service fee per head - adult or junior) will be refunded automatically if bookings are cancelled more than 42 days prior to the confirmed booking date. No refund will be made if bookings are cancelled within 42 days, unless written application is made, and the Directors are satisfied that there are extraordinary extenuating circumstances which warrant a refund.

## **DISCOUNTS**

Shoulder and summer rates are very significantly discounted on winter rates - see below for dates and details.

# UNIVERSITY ALPINE CLUB LIMITED

There is a Group Student Booking discount of 20% off the group's accommodation costs, for Shoulder or winter rate periods. Conditions - four or more full-time students (members or associates) must book on one form; the booking application must be lodged during the preferential booking period, but has lowest booking priority; and the discount only applies if the full booking can be accepted.

There is a Summer Group Booking discount of 20% off the group's accommodation costs, for summer rate periods. Conditions - ten or more persons (members or associates) must book on the one form; the discount only applies if the full booking can be accepted. This discount is not available Saturday 11 December 2010 to Sunday 26 December 2010 inclusive; and summer family rates cannot be claimed as well.

## FACILITIES

Accommodation comprises eight two-bed rooms. There are multiple separate bathrooms. For each bed, two blankets and a pillow are supplied. People staying at the lodge are required to bring their own pillowslip and sleeping bag, sheets or extra blankets, if required. All crockery and cutlery is provided. The fully equipped communal kitchen has an electric wall oven, electric hot plates, microwaves, refrigerator, and all cooking utensils. Consumable items supplied free include powdered milk, salt, pepper, sugar, tea, coffee, porridge, flour, soap and detergent. A washing machine and a small tumble dryer are available free of charge. **Guests need to make their own arrangements for supplies of all other food items - the Club does not stock food for sale.**

Please Note: Everyone staying at the lodge is required to carry out routine duties associated with the day-to-day running of the lodge. Bookings are only accepted on that basis.

## ARRIVALS AND DEPARTURES

Anyone arriving at the UAC Perisher Lodge without a confirmed booking WILL NOT be permitted to stay overnight, except in emergencies as determined by the hut manager and then on payment of double the normal nightly accommodation rate. Any person arriving prior to 7.00am. on the day their booking commences will be required to pay the same penalty rates. Rooms are to be vacated by 10.00am. These rules apply for the benefit of all those who use the hut.

## LODGE SECURITY

It is a condition of the provision of accommodation by this Club that the member/guest to whom accommodation is provided by this Club is responsible for the safety of all valuables, equipment and clothing of the member/guest or of any guest of the member, and the member/guest releases this Club from all liability for loss or damage to any such valuable, equipment and clothing however caused and agrees to indemnify this Club against any claim which might be made against it for loss or damage to such valuable, equipment and clothing by the member/guest or any guest of the member.
